Hi, I'm Tom Mazzanga one of your amazing Group E counselors. I am looking forward to meeting everyone on Monday. So much fun awaits us. In my free time I love to hike, fish, read and photograph the natural world. When I'm not at camp I am a teachers assistant in Park Ridge, NJ and enjoy working with children.
I can't wait to see you. -Tom

Hi my name is Nneka Williams. I will be your campers counselor for summer 2019. I am very excited to meet your camper this year. I love to swim so the pond will be my favorite spot. On the off season I recently graduated from college. My plans are to attend vet school in the fall. Welcome to the Nature Place Day Camp.

Hi Anais! I'm so excited to be your counselor this summer!

This is my seventh year at NPDC as I was a camper here. I love nature and animals, and am passionate in art and design. I can't wait to meet all of you and have the best summer ever!
