

Welcome to

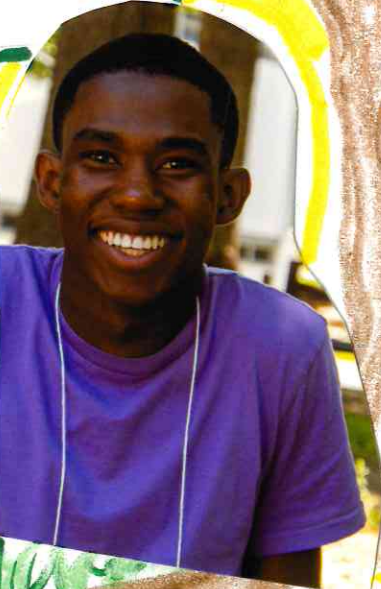

GROUP K!

Hey! I'm Ariel, and I'm so excited for the summer! I'm currently in high school, and I attend Green Meadow Waldorf School, which is where The Nature Place is during the summer! I've been going to school at GWMS for eight years, and I was a camper at NPDC for six years. I also worked as a counselor in training and as a lifeguard at The Nature Place. Camp is a magical place, and I'm so excited to share it with you. I love art, writing, reading, and traveling. I love working at camp and working in nature. It's going to be an awesome summer!!
